Section 1.1 — Core Institutional Definitions

Clause D.1 — Accident: An accident means sudden, unforeseen and involuntary event caused by external, violent and visible means.

Clause D.2 — Act of God: Natural cataclysms including earthquakes, floods, and cyclones.

Clause D.3 — Admission: The formal acceptance by a Hospital or Day Care Centre of an Insured Person on an inpatient or day care basis for the purpose of Medically Necessary Treatment.

Clause D.4 — Alternative Treatments / AYUSH: Refers to medical and/or hospitalization treatments given under Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy systems in recognized government or accredited institutions.

Section 1.2 — Clinical Treatment Criteria

Clause D.5 — Any one Illness: Means continuous period of illness and includes relapse within 45 days from the date of last consultation with the Hospital/Nursing Home where treatment was taken.

Clause D.6 — Cashless Facility: Means a facility extended by the Insurer to the Insured where the payments, of the costs of treatment undergone by the insured person in accordance with the policy terms and conditions, are directly made to the network provider by the insurer to the extent pre-authorization is approved.

*** SYNTHETIC TEST FIXTURE — NOT A VALID LEGAL CONTRACT — FOR AI EXTRACTION BENCHMARKING ONLY ***

Section 1.3 — Hospital & Day Care Facilities

Clause D.7 — Hospital: A hospital means any institution established for inpatient care and day care treatment of illness and/or injuries and which has been registered as a hospital with the local authorities under the Clinical Establishments (Registration and Regulation) Act, 2010 or with authorities under the enactments specified under the Schedule of Section 56(1) of the said Act OR complies with all minimum criteria: has qualified nursing staff under its employment round the clock; has at least 10 in-patient beds in towns having a population of less than 10,00,000 and at least 15 in-patient beds in all other places; has qualified medical practitioner(s) in charge round the clock; has a fully equipped operation theatre of its own where surgical operations are carried out; maintains daily medical records and makes these accessible to the insurance company's authorized personnel.

Clause D.8 — Day Care Centre: A day care centre means any institution established for day care treatment of illness and/or injuries or a medical setup with a hospital and which has been registered with the local authorities, wherever applicable, and is under the supervision of a registered and qualified medical practitioner.

Section 1.4 — Financial and Economic Definitions

Clause D.9 — Deductible: A deductible is a cost-sharing requirement under a health insurance policy that provides that the insurer will not be liable for a specified rupee amount in case of indemnity policies and for a specified number of days/hours in case of hospital cash policies which will apply before any benefits are payable by the insurer. A deductible does not reduce the Sum Insured.

Clause D.10 — Co-Payment: A co-payment means a cost sharing requirement under a health insurance policy that provides that the policyholder/insured will bear a specified percentage of the admissible claims amount. A co-payment does not reduce the Sum Insured.

Clause D.11 — Medically Necessary Treatment: Any treatment, tests, medication, or stay in hospital or part of a stay in hospital which is required for the medical management of the illness or injury suffered by the insured; must not exceed the level of care necessary to provide safe, adequate and appropriate medical care in scope, duration, or intensity; must have been recommended by a medical practitioner; must conform to the professional standards widely accepted in international medical practice or by the medical community in India.

Section 1.5 — Room Rent & Associated Medical Charges

Clause D.12 — Room Rent: Room Rent means the amount charged by a Hospital towards room and boarding expenses and shall include the associated nursing charges, electricity charges, and standard hospital room amenities.

Clause D.13 — Intensive Care Unit (ICU): Intensive Care Unit means an identified section, ward or wing of a hospital which is specially equipped for the continuous monitoring and treatment of patients who are in a critical condition, or require advanced life support facilities and where the level of care and supervision is considerably more sophisticated and intensive than in the general and other wards.

Clause D.14 — Associated Medical Expenses: Means those expenses directly correlated with room category occupancy, including doctor consultation, specialist visits, anesthetist fees, operation theater charges, and nursing administration. Expenses with statutory or fixed pricing (medicines, implants, diagnostic radiology) are excluded from this definition.

*** SYNTHETIC TEST FIXTURE — NOT A VALID LEGAL CONTRACT — FOR AI EXTRACTION BENCHMARKING ONLY ***

Section 2.1 — Room Rent Daily Capping Entitlement

Clause 2.1 — Room Rent Entitlement Grid: Coverage for Room, Boarding, and Nursing Expenses provided by the Hospital is capped at a maximum of 1% of the Basic Sum Insured per day of hospitalization.

Financial Quantification: For the basic Sum Insured of Rs. 10,00,000 stated in Schedule S.3, the maximum eligible room rent allowance is Rs. 10,000 per day (Rupees Ten Thousand per day).

Entitled Room Category: The Insured Person is entitled to occupy a Single Standard AC Room. If the Insured occupies a Deluxe Room, Super Deluxe Room, Suite Room, or higher category whose per-day tariff exceeds Rs. 10,000 per day, the excess daily room rent is strictly non-payable and shall be borne by the Insured Person.

Calculation Formula: Daily Room Excess = Billed Daily Room Rate - Rs. 10,000. Total Room Excess Deduction = Daily Room Excess * Number of Hospitalization Stay Days.

*** SYNTHETIC TEST FIXTURE — NOT A VALID LEGAL CONTRACT — FOR AI EXTRACTION BENCHMARKING ONLY ***

Section 2.2 — Intensive Care Unit (ICU / ICCU) Entitlement

Clause 2.2 — ICU / ICCU Daily Capping Entitlement: Coverage for Intensive Care Unit (ICU) and Intensive Cardiac Care Unit (ICCU) charges is capped at a maximum of 2% of the Basic Sum Insured per day.

Financial Quantification: For the basic Sum Insured of Rs. 10,00,000, the maximum eligible ICU allowance is Rs. 20,000 per day (Rupees Twenty Thousand per day).

Non-Application of Proportionate Deduction to ICU: While charges exceeding Rs. 20,000 per day are disallowed as excess ICU room charges, the occupation of an ICU room above the limit shall NOT trigger proportionate deductions on surgeon, medical practitioner, or operation theater expenses.

*** SYNTHETIC TEST FIXTURE — NOT A VALID LEGAL CONTRACT — FOR AI EXTRACTION BENCHMARKING ONLY ***

Section 2.3 — Proportionate Deductions on Associated Medical Expenses

Clause 2.3 — Proportionate Deductions Clause: In the event of the Insured Person electing to occupy a room category where the room rent exceeds the contractual entitlement of 1% of Sum Insured (Rs. 10,000 per day), all Associated Medical Expenses shall be proportionately reduced.

Applicable Formula: Admissible Associated Expense = Billed Expense * (Entitled Room Rate per Day / Actual Occupied Room Rate per Day).

Categories Scaled: The proportionate scaling shall apply exclusively to: (i) Doctor Consultation Fees; (ii) Surgeon & Assistant Surgeon Fees; (iii) Anesthetist Charges; (iv) Operation Theater & Anesthesia Equipment Charges; (v) Nursing Administration Charges; (vi) Package Daycare charges where room rent is bundled.

Categories Exempt from Proportionate Scaling: In accordance with IRDAI Master Circular directives, proportionate deduction shall NEVER apply to: (a) Pharmacy, Formulations and Medicines; (b) Surgical Implants and Prosthetics; (c) Pathology, Radiology and Diagnostic Tests; (d) Emergency Ambulance Charges.
